Meeting Minutes
September 30, 2008
Palo Verde Community Room**

Present: John Pyles (Chair), Kyle Chang, Erin Kelly, Elizabeth Shulman, PV Residents

Proceedings

Meeting called to order at 7:10pm by Chair John Pyles. PVRC members respond to resident concerns:

1. Resident was concerned about letting parents know about IFC channel (adult content) - and wanted more family friendly programming
2. If you can't find parking at night you can buy a permit nearby and hope for reimbursement but that is unclear.
3. New parking system needs to be fixed so that people with out of state plates aren't improperly cited.
4. We might want to try to organize a bulk complaint to major cell phone companies so that we can try to improve cell phone service around here
5. We should ask the office to post quiet hours in common areas so that they aren't too noisy
6. Igniter switches on grills need to be replaced.
7. Residents want stairways cleaned and lawns cut more regularly
8. Trash/recycling needs to be stepped up during move in time; there appears to be a shortage of paper recycling containers
9. Residents would like a closer receptacle for dropping off rent checks
10. Residents would like to see room availability posted for common rooms
11. Some people would like easier access to the bike paths (more ramps).

Public meeting concludes at 8:30pm. The internal PVRC business meeting commences.
